“ Eric & family, my deepest condolences on the loss of your mother, Tammy. I did not know your mother but have heard loving words spoken of her. If she is anything like you Eric, you are an amazing person whom I have only recently gotten to meet through my loving daughter-in-law, Kerryanne and my wonderful son, Chad. We enjoyed your visits to Canada for their wedding in June and you are welcome anytime to visit us. At this time, we are grieving for you and your family and know that God loves us all. May she Rest in Peace.

Love Linda & Tony and "Grama".

“ I will miss my loving sister Tammy. She always call me Da Da I don't know where she came up with it but it was funny. We were close growing up and we would fight at times. It was truly brotherly/sisterly love. Tammy and Rick raised 2 great children and they are very smart quickly working their way into the world. Tammy and Rick have a son and daughter to be proud of. You are all in my prayers and thoughts everyday. We love you Rick, Heather and Eric. Donnie and Dee Stickley
