“ Mrs. Monts, I just learned of your loss. I am truly saddened by this news. Although I only knew him for such a short time he made an everlasting impression. He was a great man and will be remembered by all that knew him. I am blessed to have known him if only for a short time. It was an honor to be his hospice nurse. My thoughts and prayers are with you. “ Mrs. Monts, I was greatly saddened to learn of the loss of your husband. I worked for Mr. Monts, along with Dia Hart Snowden, at TDC Management. It was a great experience and he was truly a great individual. Even now, his shared "pearls" of wisdom continue to bless me. May God Bless you and may you find comfort in His love. Our prayers are with you.

“ Mrs. Monts, in times such as these, words simply are not adequate to convey the feelings I have for the loss of your husband and friend. Although it's difficult today to see beyond the sorrow, I pray that your looking back in memory will help comfort you tomorrow.

May God be with you and your family.
