“ You were as a sister to me. I loved our long talks about everything. You taught me leadership skills on the Grasonville Aglow Lighthouse team. Always smiling and encouraging to everyone around you. I know you are so free now from the pain and happy in your heavenly home with your Tommy, your dad, and other sisters and brothers in Christ who are there and have joined the Cloud of Witnesses who are pulling for all of us still here. Best of all you are with Jesus. We all will rejoice when we meet again.
