“ *My sincere condolences to your family, death is never easy to deal with, our heavenly Father knows this. Rev. 21:4,5 says, death, mourning, outcry and pain will be no more.. Because our heavenly Father will wipe out all these things from our eyes. In time as this words cannot express what your family are feeling. But know this that our heavenly Father is a God of all comfort, (2 Cor. 1:3) and he is willing to help your family in this difficult time. He promises that there going to be a resurrection (Acts 24:15). I hope that during this difficult time, these and other delightful promises from our heavenly Father brings comfort to your family. “ I worked with Terri aboard ships with Princess Cruises. What a wonderful person Terri was. So funny, a great friend, a hard worker, and a joy to be around. There are many, many fellow shoppers that have posted their condolences and remember Terri fondly and lovingly. Terri will be missed by all those who knew her and loved her. My thoughts and prayers are with her family.

“ My heart goes out to all of Teresa's family and friends. I had the pleasure of working with Teresa when I was a Flight Attendant and thoroughly enjoyed her company. She was always very kind, sincere and incredibly compassionate. May the holy angels guide over, protect and watch after all of those involved. I feel very blessed to have known Teresa. Please accept my deepest sympathy in the passing of such an incredible woman.

“ We started off roommates and quickly became close friends. You are the sister I never had. I will always cherish our many memories: long walks, trips to Easton, Annapolis, OC, and boating down the Miles. Pouilly-Fuisse! You are as beautiful on the inside as you are on the outside. My life is richer because of you and it is a great honor to be called your friend. I know heaven is a brighter place because you are there helping strangers, taking in strays and planning events. I look forward to seeing you again my cherished friend. I love you.
