“ *Terri was so kind. She was a comfort to me during my husband’s diagnosis of cancer even though she was going through her own illness. It was very easy to love her. I’ll miss you.*

“ I was fortunate to work at the Queen Anne's County Library - Centreville Branch for 23 years. When I needed to call the Kent Island Branch for assistance, Terri was always very happy to help no matter what. She was a smiling ray of sunshine every time I saw her. Library patrons and staff were fortunate to have her in their life. I know everyone will miss her... RIP lovely lady!

“ Terri was her own person. She was always there for our library patrons and her coworkers. Her sudden passing has me saddened. She taught me so much while working at the circulation desk. I am praying for all her family and friends who are missing her . She touched hundreds of lives through the library. Praying for peace and healing . The Kent Island Library would not have been the same without her.

*Grateful she was there.
