“ *I cant believe my sweet friend is gone. I feel like my tears will never dry up. I will miss our drives to work while we planned all the trips we wanted to take. I will miss our endless laughs and there were many, I will miss rushing to text you every time something happens I think youd want to hear, ill miss waking up in the middle of the night and looking to see if you texted me, ill miss our trips to witts, ill miss meeting you at royal farms on mondays and seeing that smile as you walked to my car, ill miss how we would just look at each other and laugh. ill miss your advice and will especially miss watching your relationship with my kids...they loved you dearly. Im so thankful for all the happy memories we made...especially in the last few months. You were like the aunt my kids never had and like the sister I didnt have. You will forever be in our hearts "my teresa". We love you forever and always!! Blonde Sally, Cierra and Brayden*
