“ *Terri... all the times when I was little I spent the night with you guys, I think I got on your nerves but you always let me sleep in your room. We would walk in the woods, ride dirt bikes and you would get so mad when you had to cook me a hamburger for breakfast. Rest easy now... I will miss you. Tammi*

“ *Many many crazy memories of when we were young, all the times you went to Cambridge with me because I was afraid to go across the old Cambridge bridge, so you'd be my co-pilot!! All the times down Poppop 's around the siloh's, getting me a job at Celeste Industry, many fond memories. R.I.P sweet cousin. ♡♡*
