“ LARRY, judy and family,  
teresa will always leave a empty space (a pain in your heart that will never go away)  
But, you have all the good memories she has left here for you . she is now at peace and suffers no more. May God bless you all for all that you did to ease her suffering.  
She knew she was much loved! May her children find comfort knowing she is in a better place.##imported-begin##Henry & Connie Engrem##imported-end##

“ You will be missed and loved alot you were sooo strong .. You were a great friend and mother.. I am here for your family friends and kids if they need me .

God looked around his garden,  
And found an empty place.  
He then looked down upon the earth,  
And saw your tired face.  
He put his arms around you,  
And lifted you to rest;  
God's garden must be beautiful-He always takes the best.  
He knew that you were suffering,  
He knew you were in pain;  
He knew you would never get well on earth again.  
He saw the road was getting rough  
And hills were hard to climb  
So he closed your weary eyelids, and whispered,  
"Peace be thine."  
It broke our hearts to lose you,  
But you didn't go alone,  
For a part of us went with you,  
The day God called you home##imported-begin##Donna

“ Larry & Family, I'm very sorry for your loss. I remember your children when they were very young and lost their mother. You were the best dad. I know 1st hand how much your children meant and mean to you. Plesse keep your head up and know that you are loved by so many, and plesse stay close to the family that your daughter grew to build and love as well. I'm sure that they are as spectacular as she was. God Bless you.

“ To All of the Family and Friends of Teresa I send my thoughts and prayers. She was brave, strong and beautiful. I know there aren't words to heal the pain right now, but hopefully the memory that you all share will help ease it some. Know that she is flying high and spreading her wings, without pain and worry. She fought long and she fought hard and she held on to the end. God saw that she was tired, and he picked her up and carried her home. Girl you brought life and smiles to so many that knew you. Rest in peace and again no goodbyes just see ya for now.##imported-begin##Jo Ann Cook##imported-end##
