“ Terry was a sweet woman to me. I am still wearing the silver engraved bracelet she and Jimmy gave me for my graduation in 1972. The engraving has long since worn off but I think she she would appreciate that she has by part of my life since I was 5 now 67. She will be missed by many. Hundreds of kids from Preston had her to thank for 1st grade. How she had the patience is just a testament to a great lady.

“ Terry was a beautiful lady, a wonderful mother and an adoring wife and a very special friend. I will ever be grateful when she took me in after driving 8 hours with my 3 year old daughter and had no where to go. What a wonderful lady she was and I have loved her daughter as my own now. Terry, I will look after her for you. God bless you for touching so many lives with love. May you Rest In Peace.
