“ You were the best dad I could have wished for. You were always there for me no matter what the situation, or how it inconvenienced you. You treated so many of my friends like they were your own. Never hesitating to give any of them a place to stay, a job to make a bill, or a place to spend a holiday. You went above and beyond to be an amazing dad to so many, not just me. And seeing you hold, and play with your granddaughter, brought us both so much joy. I'm not sure what I'm going to do without you. But you are always loved, and will never be forgotten. Love you daddy

I still miss you everyday daddy. You're never far from my thoughts. I hope you can see everything I've accomplished, and how beautiful your granddaughter is. Smart, sweet, and quick witted, just like you. I love you.
