“ We are so deeply sorry for your loss. Mrs. Thelma and Rev. Roy were our good neighbors when we married and bought our first home in Chester. Over the last several years we had many great visits with Thelma. It was always clear to us that she truly loved and appreciated her family and that she was so very proud of all of you. We will always remember Thelma for her wit and forthrightness. That and she was a great cook-truly the best chicken pot pie on Delmarva.

We were fortunate enough to had a lovely visit with her on the Tuesday she passed. She was very present and reflective as we visited. She told me she was sorry to hear of my grandmothers passing and she smiled and complimented the girls on their recital of the Lord Prayer. When we left Iris said I love you and Thelma told Iris that she loved her too.

Hers was a good and blessed life and even through the tough times she had a dignity few possess. The joy that she brought to all of us will live on in her memory and though you. She will be missed dearly. May your faith guide you and comfort you in your loss. God bless you and your family.

“ *Dear Family,*

Sorry about your loss. Thelma went to school with my our Mom and our Dad knew Roy when Dad was Conference Lay Leader. She was so talented , could play the piano and just had a terrific laugh and humor. I remember her laughing and stating that she was not the typical ministers wife. I know you will miss her but her memory will live forever in your hearts. May the peace of Jesus comfort you during this time and through out your grieving process. Our prayers are with you.

To the family: What a wonderful lady that has left us. She surely loved her family and friends. She and I took exercise classes many, many years ago in Annapolis. When we would finish each session to come home, she wanted to know where we were stopping for ice cream. She was a mess and we had many laughs. She has surely gone to heaven and was welcomed by her husband and sons. Ms. Thelma you were one special lady and so glad you were in my life. RIP my dear friend. Love you, Lynda H. Palmatary, Centreville.
