“ *Sincere condolences to Kathy, TR and Cynthia from the Sturges family. Ted was one of my late father's closest friends, going all the way back to when they were very young in Connecticut. My father loved Ted Lazo so much he named me after him. He was always "Uncle Ted" to me. Rest in peace Uncle Ted. I hope you are enjoying a great game of golf followed by a game of bridge with friends (including my father) in Heaven. With love, Ted Sturges*

“ Dear family, please accept my condolences and the condolences of our Dover, DE ACBL duplicate bridge club. I enjoyed our game. He was always very enthusiastic about the game and was very disappointed when his health restricted his driving to Dover. May perpetual light shine upon him.

“ We have known Ted & Kathy for a long time, played golf with them
at Sawgrass CC, shared wonderful Christmas dinners together and
have visited them after they left Florida. Our last visit with them was
at Heron Point a couple of years ago, and we had a wonderful lunch
together. We are very sad to hear about Ted's passing, and wish all
of you lots of strength in this very difficult time. Please know that
you are in our thoughts and prayers.
