“ To the family ofThersa, we want to thank our family member for not letting us know, she passed away, Theresa lynn was my first and favor neice, she will always be a part of me, for my daughter, etta lynn is named after her and my sister, we just got back in touch for over 40 years, thanks to facebook, went I heard that she passed away, a part of my life, just died for the second time, but I know she is in God's hands and with her family members, who is in heaven welcoming her home, God be with her new family the Walls, for I never had the chance to meet them, but I know that she was very happy to be a part of their family, so God bless them and help them get throught their lost, and also the Alleger side too.
