death would never be.  
Love would be forever,

*In a perfect world,  
you'd still be by our side,  
lighting up our happy lives.  
You never would have died.*

A world where eternal bliss

and in His time we'll join yoin a perfect world above.*

“ A beautiful garden now stands alone,  
missing the one who nurtured it  
But now she is gone,  
Her flowers still bloom, and the sun it still  
shines,  
But the rain is like tear drops, for the ones left behind,  
The weeds lay waiting to take the gardens beauty away,  
But the beautiful memories of its keeper are in our hearts to stay,  
she loved every flower even some that were weeds,  
So much love she would plant with each little seed,  
But just like her flowers she was part of Gods plan,  
So when it was her time he reached down his hand,  
He look through the Garden searching for the best,  
That's when he found Terry, it was her time to rest,  
It was hard for those who loved her, to just let her go,  
But God had a spot in his garden, that needed a gentle soul,  
So when you start missing Terry, remember if you just wait,  
When God has a spot in his garden, She'll meet you at the gate....

“ *I sit around and wonder,  
and watch the days go by.  
I look at all the pictures,  
and ask, why did you have to die?*

*You've always been there for me,  
because you were my best friend,  
and I was always there for you  
until the very end.*

*But now it's time to let you go,  
your spirit now is free.  
Even though you won't really be gone,  
because you'll live inside of me.*

*I will always remember  
your smiling, beautiful face.  
This is hardly a goodbye.*

*Even though that I will miss you,  
and I'll think about you everyday  
you'll always be my best friend,*

*Terry, I think of you everyday....  
I miss you so much.  
Will love you forever and ever.*

“ We sat beside your bedside,  
Our hearts were crushed and sore.  
We did our best to the end, til we could no more.  
In tears we watched you sinking,we watched you fade away, and  
though our hearts were breaking we knew you could not stay.  
You left behind some aching hearts that loved you most sincere. We  
never shall and never will forget you.  
YOU WILL LIVE IN WHAT I DO FOREVER AN EVER.

“ Although unheard I thank you  
For always being there  
Even when you were bedridden  
You always seemed to care

You meant so much to all of us  
you were special and that's no lie  
you brightened up the darkest day  
and even the greyest sky

Many tears I have seen and cried  
They have all poured out like rain  
I know that you are happy now  
Cause your no longer in pain.

I will always remember you  
And what you used to say  
You made each of us smile  
And live to the fullest each day

They say in time it gets easier  
I believe this isn't true  
Because even after all this time  
I still don't have a clue

I was not ready to say goodbye  
Your disease just over took  
Our friendship is forever  
Until death, did we part  
Although your away physically  
You're always in my heart

Love you forever Terry.##imported-begin##"Morning

“ I have finally forgiven God for taking you so soon. I wish you were here everyday but realize that it was time for you to go home. No more suffering in pain-emotional and physical. You taught me to set the bar high for myself; reach those goals that seemed unreachable and to never let your personal life and problems at home effect the quality of the work and negatively impact your career. When I doubted myself at times; you told me to see it through. Finally, I am have accomplished what I set out to do. Thank you for teaching me by your own example how to put your job and career first 8 hours a day an how to put your personal heartaches aside for the sake of your job. I now know how you did what you did. You are and always will be my #1. How lucky am I? When I need an answer, I can hear your voice and although I will never get over having you physically by my side; you are still with me every day leading me to do the right thing. When I was sworn in, the first thing I said was "I wish my Mom was here"; as tears rolled down my face I felt your prescence and new that you were and would always be by my side. Love you, your favorite daughter###imported-begin###Amy###imported-end##

“ *When the light in your eyes  
began to slowly fade,  
I cannot tell a lie,  
I was afraid.*

*I didn't want you to leave,  
telling you to hold on.  
I tried not to believe  
that you would be gone.*

*But I lost my last hope  
as you slipped away  
and my soul needed to cope  
with the loss of my light and day.*

*My whole life was utterly gray

I didn't know what to say,

You told me what to do.  
You told me not to dread.*

“ Mom-

*I could not write on your birthday. The pain I could not bear, to deal with another 10/15 without you here to share. I pick the times and moments that I am strong enough to share. On your "obituary" website many days is too much to bear. Each day I know your with me; many find hard to believe. You lead me in the right direction; our connection that strong indeed. I miss you more everyday but have finally realized. If i pray and focus long enough; you appear before my eyes. You give me the answer to questions; delima's; struggles and strife. All I have to do is think and pray long enough and the answers you bring to life. Many do not believe me; there own agenda's rule there minds. Others who truly new you believe I know what's right. Thank you for all you gave me and for all you continue to give. Thank you for having me baptised in Christ's name my daughter and I live. I know you are with me every minute of every day. I can only continue to pray and ask God to PLEASE reunite me with you some day. I know he will when it's my turn but for know, I continue on. I WILL overcome and win those battles as God directs and carry on. My only wish is this mom, lead me to do what's best. I know I am doing the things that you have asked and just as you predicted, I HAVE been put to the test. You gave me unconditional love and taught me how to do the same, I continue to give others around me those gifts; I pray they realize and understand the same. GOD GRANT ME THE SERENITY TO ACCEPT THE THINGS I CANNOT CHANGE. TO CHANGE THE THINGS I CAN AND THE WISDON TO KNOW THE DIFFERENCE. Love and miss you by my side forever; until God calls me to his holy kingdom for us to laugh, live and love togehter again; forever. your daughter Amy*

“ Another year has flown right by. 730 days, each one I have cried I never knew how hard this would be. When God called you home, he took you and a large part of me.

Everyday there have been struggles and problems to work through. I pray to God for guidance and ask "What Would MOM Do?"

Many nights I close my eyes and see your smiling face, I hear that great laugh, your voice and I can even feel your embrace.

Then morning comes, the sun begins to rise. Reality sets in and I wipe the tears from my eyes.

Not one day has gone by that I haven't needed you. Your strength, advice and guidance always saw me through.

When I have a parenting question and I don't know what to do, instinctively I reach for the phone then realize your are now in God's home and I am on my own.

I guess this is what you meant when you said "One day you will be grown with a daughter of your own" However, at times, I feel very much alone.

I have even wished a thousand times that God would call me too.

Then finally again I would be laughing hand in hand with you.

I know that it's not my turn, I have my own little girl and alot of work here to do.

I remember all you taught me and your positive outlook on life.

You said life would not be easy and were you ever right!! And just so you know since the day you died, I haven't slept through one single night.

I play our last week together over everyday, lost in my thoughts, hanging on your last words and everything you said. When your grand daughter acts defiant your words "don't let her walk all over you" ring loudly in my head.

Life has moved so quickly so much has changed since you were here. I cling to bittersweet memories and I often feel you near.

I will never stop loving or missing you. Everyone says things will get easier with time, for me it gets harder every day to not have you to talk to, laugh with and share my life events with. I miss you Mom, today, yesterday and tomorrow.

“ God reached down his loving hand and chose to lead you away, that was two years ago today. For God saw you were suffering and wanted to set you free. He said to you "my child you'll suffer no more, if you take my hand and trust in me". Without hesitation you said " I trust in you and I will go with you but first let me take the time God and speak with my family and friends". God said "my child please speak with them and tell them what's in your heart, then I will take your graceful hand and you and I shall part".

You said, "I love each one of you with everything I am but now my time on earth is done, and I must trust in him.

Cry not for me my dear family and friends, keep a smile upon your face, remember I'll be in heaven, a beautiful and loving place. I'm not afraid, I'll be at peace for my sickness and pain I know will cease.

When I take my journey home to Heaven's door I'll be forever happy, and tears I'll shed no more.

I'll give you love and all my strength whenever you're in need. I'll not just be your wife, mother and friend but your Angel. I am now free from pain, For when I chose to take God's hand, he chose to set me free".###imported-begin##Patti###imported-end##

No one knows the heartache I try so hard to hide, only God knows how many times I've broken down and cried. “ Our dear friend Terry,  
If we could bring you back again for one more hour or day we would express all our unspoken love. We'd have countless things to say and do. If we could bring you back again we'd say how we all treasured you and that your presence in our lives meant more than you ever knew. If we could bring you back again to tell you what we should you'd know how much you were missed. If we could only bring you back again.  
You will never be forgotten.  
Loved by all.##imported-begin##Harley Gang##imported-end##

“ Your gentle face and patient smile, with sadness I recall. You had a kindly word for each and died beloved by all.  
The voice is mute and stiffed the heart that loved us well and true.  
Bitter was the trail to part from one so good as you.  
You are not forgotten my friend nor will you ever be as long as life and memory last I will remember thee. I miss you more as time goes by. Your loving smile, your gentle face, your heart of kindness will always be with me each and everyday. No one can ever take your vacant place.##imported-begin##Patti Eason##imported-end##

“ May you always walk in the sunshine and God's love flow around you, for the happiness you gave us no one will ever know. It broke our hearts to lose you, but you did not go alone, a part of all of us went with you the day God called you home. A million times we have needed you, a million times we cried, if love alone could have saved you, you never would have been taken from us.  
The Lord be with you now and forever more. We will never be without you.##imported-begin##Harley Gang##imported-end##

“ Since the loss of our dear friend I have learned to live each day , and take it as a blessing knowing it may not always be this way. Since the loss of Terry I have learned that when everything goes wrong to never give up on what is right because it can only make you stronger.  
Since Terry has left us I have learned how to hold the tears when I want to cry. I have many memories left of our friend but sometimes that is just not enough.  
But mostly since the loss of Terry I have learned a life can be taken in the blink of an eye so cherish every moment you can with the ones you love.##imported-begin##Patti##imported-end##

“ October 15  
Happy Birthday Terry  
God gave a gift to the world when Terry was born.  
A person who loved all, who cared for all, who seen a person's need and filled it, who encouraged and lifted people up, who spent energy on others rather than herself, someone who had touched each life she entered, and made I difference in the world. Terry was and still is a very special person, a treasure to many.  
Sadly missed,

“ You meant so much to all of us,  
You were special and that's no lie  
You brightened up the darkest day  
Your smile alone warmed our hearts  
Your laugh was like music to hear  
We would have given anything to still have you near.  
Not a second passes when your not on our minds  
Your love we will never forget.  
They say the hurt will ease in time, we  
have not found that true yet, but we hold on to the hope that one  
day the pain will ease.

*This last year we have cried many tears, shared many hugs and  
thought of you often, but thru it all we have stayed together as you  
would have wanted us to do.  
We miss you.*

year. She is still with us all in our hearts, memories of her will

“ Nothing can ever take away the love a heart holds dear.  
Fond memories linger every day, remembrance keeps Terry near.  
Ten months have passed since we lost her, seems like only  
yesterday.  
May the winds of love blow softly and wisper so she will hear, we  
will always miss her and wish that she were here.  
We have great memories of Terry to keep our whole life through, but  
the sweetness will linger forever as we treasure the image of her.  
Terry, we miss your smile, your laugh and your friendship. We will  
never feel like you are not with us.  
Love from all your Harley Gang.##imported-

“ We've known lots of pleasure,  
at times endured pain,  
We've lived in the sunshine and walked in the rain.  
But now we're separated and for a time apart.  
But I am not alone- Your forever in my heart.  
Death always seems so sudden, and it is always sure, but what is  
often forgotten-it is without a cure.  
There may be times you miss me, I sort of hope you do, but smile  
when you think of me, for I'll be waiting for you.  
Now there's many things for you to do, and lots of way's to grow, so  
get busy, be happy, and live your life.  
MISS ME, BUT LET ME GO.

A message Terry would want us to live by.##imported-begin##Patti
