Blue was so loved by my family.He used to pick up pecans in our back yard for my grandfather. EB Goldsborough and clean his printing tiles after a day of printing. This was up where thc Recod of of Oberver was on Lawyers Row.Blue always spoke so well of my Gtandfather. He was always happy to do any jobs they had. I always loved Blue and enjoyef his tales of working for my grandfather.

We offer Condoleezza to his two daugjters and their families..And to Betty and hope someone can lovingly care for her for her years ahead. May he rest in peace.

“*Amy & Jill, Sharon and I are sorry to hear of Uncle Blue Passing. As a young person he inspired me to get involved with electronics and after I left the Sheriff's Dept. went to work for an electric utility and used my electronics skills. I loved watching him work on all of the Downe's pinball machines. I learned a lot from him. He was a kind and caring person. Sending our Love, Buster Nelson*

Amy and Jill. What great memories on Hope Road since 1957. Where did the time go? Will always remember the Christmas Mornings, Blue fixing the swing set so we could put water on the sliding board to slide down it in the summer, making homemade ice cream, his beautiful furniture making and looking after mother when Daddy went into the Nursing Home. He would always be tapping outside making something and mother knew he was around. It was so much security for her. He is now at peace with no more suffering and with your mom. Our prayers are with you at this time and he sure was a legacy in the community. Hugs and luv ya, Lynda and Gene
