“ I have many fond memories of Tommy and our times together. We played together as kids, we laughed as teens, and cried as adults. I can say that Tommy was there any time I needed him to be. If I needed a ride to work, he would come pick me up. If I needed to buy something and didn't have the money he would give me, no problem. And when I needed a place to stay during a difficult time, he opened his door.

Tommy and I were cousins by chance, brother & sister / friends by heart. I will miss Tommy and his wonderful smile. Rest In Peace Tommy, I love you.

“ I've had the privilege of knowing the Davidson family since I was 7 years old. They are a very special family! There was always something about Tommy that made him my favorite! Sorry Dad, mom, Mike, Billy and Donna. I always thought of him as another little brother. Our families lost touch, but never memories! I flew in from Tampa last night hoping to be able to attend services for Tommy, but because of my Aunt Betty's passing last week and trying to close my brother's estate today, I will not be able physically attend his funeral, but I'll be there in spirit. Rest in peace Tommy Davidson, rest in peace!

“ Thinking of the Davidson Family today and keeping you all in my prayers. One of my favorite memories is water skiing on the eastern shore with Tommy, we had a blast out in the boat all day long and I had worn a bikini and was so sunburned I could barely move for two weeks! I also remember going to an Elks Club teen dance with him and a trip to Hershey Park. Where ever Tommy was, there was laughter. Jennifer Anderson Blose
