

Thomas Neal Golden

January 18, 1939 - October 8, 2022

Thomas Neal Golden of Pasadena, MD passed away on October 8, 2022. He was 83 years old.

Tom was born in Clarksburg, WV on January 18, 1939, to the late Harry Conrad and Thelma Golden. The family moved to Maryland at the start of World War II, where his parents ran a boarding house. They settled down in Glen Burnie, where Tom attended Glen Burnie High School with the class of 1957.

He was married to Ellen Lenderking in 1960. During the Cuban Missile Crisis in the early 1960s, he entered service with the U.S. Army, working in the Army Security Agency. He served for thirteen months in Korea before being stationed in Fort Meade, MD for the remainder of his service. After discharge from the Army, he worked for Bell Atlantic (now Verizon) as a building maintenance manager until his retirement in 1994. He then worked for Associated Building Maintenance Co. until January of 2020.

Tom had a passion for antique cars and trucks and was an active member of the Antique Automobile Club of America for years. Working on and going to car shows with his 1965 Ford truck was his favorite hobby. Known affectionately as Poppy to his grandchildren and great-grandchildren, he loved his family deeply. He cared greatly for his community and neighbors, his special antique car buddies, and all of his dear friends and their families. He has been reunited with his son Mark, who passed away in 2019, his mother and father, and many friends and relatives who predeceased him.

He is survived by his wife of 62 years, Ellen; son Michael and wife Kerry; daughter Melissa and husband James Frank; ten grandchildren, three great-grandchildren, sister-in-law Lois, brother-in-law Bruce and wife Pat, many nieces and nephews, as well as cousins and their families with whom he had a close relationship.

Services will be held on Saturday, October 15, at Lake Shore Baptist Church.

A visitation will be held from 2:00 pm – 3:00 pm with a memorial service at 3:00 pm. A reception will be held at the church following the service.
