“ *I always will remember Poppay for just coming up the stairs to say hello, get some dinner, or tell me to take a giant bag of fruit home, and then head back downstairs. He always had a smile on his face, and could always find the positive in anything that was happening. He was so light-hearted and kind, and my goodness did he love his girls! May the happy memories and to know that he is with his love bring comfort to his family and friends.*

“ Tommy was always such a kind and gentle person, feel so blessed
to have him in early days, then to be reunited, so very grateful. I
remember Tom discussing baseball w/my Mom (Katherine Watkins).
My condolences to Tom's family, may peace be w/you 🙏😊💕
