“ As someone who often flew copilot for Tom in the early seventies I remember him warmly. A trip with Tom was bound to be both fun and an opportunity to learn. He always gave respect and received it in great measure in return.##imported-begin##Terry Davies##imported-end##

“ Tom's at rest, but his memory lives on through his 8 children and countless grandchildren. Tom, Tim, Karen, Kathy, Jimmy, Bill, Jerry and Sena, your dad loved you more than life itself and bragged of your accomplishments. He was my dearest friend for so many years; I'll miss him but having you and your families in my life will help quench my sadness.

“ I flew Co-Pilot for Tom a long time ago and got to know him as a true gentleman and a wonderful human being. It goes without saying he was a superb Pilot and well respected by all those who knew him.

What a great guy Tom was and in many ways still is; he lives on in the hearts of those who knew him.

Kathy & Jimmy & Mrs. Judge...my thoughts and prayers are with
you during this difficult time. I always love Sena's stories about
growing up on the water in a large family with intense waterskiing
led by your Dad. And, I'll always laugh @ how he made Sena and I
review the map with him before our Spring Break trip in college. I
hope your memories of your Dad will give you peace and warm your
