

## Thomas Reese Myers

June 22, 1950 - November 27, 2020

Thomas Reese Myers, 70, of Preston, MD, passed away peacefully at home on Friday, November 27, 2020, after a year and half long battle with colon, liver, and lung cancer.

He was born in Chestertown, MD, on June 22, 1950, to the late Ethel Elizabeth Carroll Myers and Paul Woodrow Wilson Myers.

On March 24, 1973, he married Carolyn Faye Elburn.

Reese, as he was known by most, was a jack of many trades, who loved riding his motorcycle and spending time with his wife, children, and grandkids. Most of his life he drove a tractor and trailer, and he hauled for Swann's Farm, B&G Pickle Company, and Nagle Farm, just to name a few. His last few years that he was able to work, were back on Swann's Farm for Elmer Swann. He also enjoyed tinkering on pretty much anything with a motor.

He is survived by his loving wife of 47 years, Carolyn Myers; their children, Windy M. Divita (Jimmy) of Portsmouth, VA, Brandy R. Brooks (Ricky) of Cambridge, MD, and Thomas K. Myers of Easton, MD; grandchildren, Kathrine E. Morrisette (Wesley) and Alexander J. Divita of VA, Richard L. Brooks, Destiny R. Brooks, Antonio M. Brooks, and Nichelle S. Brooks of MD; siblings, Phillip Myers of PA, Beverly Foreman and Paula Mayne of MD; and

many nieces and nephews.

In addition to his parents, Thomas was preceded in death by his older brother, Carroll Myers, and middle sister, Brenda Myers.

In his passing, he gave the gift of learning by donating his body to the Maryland State Board of Anatomy for his remains to be used for teaching.

There will be a Celebration of Life after COVID restrictions have been lifted.

In lieu of flowers, memorial contributions may be made to The American Cancer Society at <https://www.cancer.org/> or Compass Regional Hospice Inc. in Centreville, MD at <https://www.compassregionalhospice.org/dona>

“ *Besides my mom my daddy was my hero. I will miss his voice when he would answer the phone and he would say so you remember so and so.. I sometimes wouldn't and I'd say no and he would try to remind me that I indeed did know that person and this is how I did or when something was wrong with my car and I'd call him to help me figure out what it was. He was an amazing man and I just wish I had figured it out sooner.*
