Tom was a sincere person and leader: other soldiers, and all his heart, before self. He was the textbook example of what God wants us to be.

“ Have quite a few memories of my friendship with Tommy, really hard
to pick just one as all are special. My favorite though is seeing him
in that flight suit!!!! What a handsome young man!! How fortunate I
was to have called him my friend and to have memories. Love all of
his family, I can remember meeting his lovely wife before she was
his wife!! Couldn't ask for anything more from this man as he had it
all!! What a hero in my eyes and would thank the Lord for letting him
come home.

“ I met Tommy in high school when I came into QACHS as a new student in the 10th grade. Tommy was such a sweet guy even at that age, just a gentleman at heart. “ *There are very few men in the world like Tom. Rising to greatness, he was still humble and kind. I can honestly say I never heard him speak ill of anyone. My last conversation with him was shortly before I retired. Even while he shared his condition and outlook, he still had a twinkle in his eye and that crooked smile.*

He was a leader, a father, a husband, a Soldier and I am proud to have called him my friend and brother. The nation lost one of its treasures. I look forward to seeing him again.

To Tom's family, especially his wife and children, Tommy and Tyler, know that Tom was responsible for keeping many of us safe in some very dangerous locations. He worked while we rested to ensure that we would return safely. He was often alone in this task but never complained and was always eager to go the extra mile. While no words can replace your lost, please know that he was admired by many and a role model to all.

"but those who trust in the LORD will renew their strength; they will soar on wings like eagles; they will run and not grow weary; they will walk and not faint."

I have fond memories of Tommy from high school. My heart aches for your family. Thinking of you during this difficult time.
