“ So many memories! As a pre-teen Mazurek, I felt like an extension of the Speakman family. Of course there was fishing, crabbing, clamming and fishing stories (lies??). But there were so many great memories of making sinkers in the basement, hanging out with Tom Jr. at the beach, and the time we invaded your vacation at the beach house and spent the night. To say the entire family was an indelible part of my memories, is a HUGE understatement. Thank you and God Bless Tom and the entire family.
