“ Hi Aunt Betty - I am so sorry to hear of Uncle Tink's passing - please pass along my condolences to the rest of the family. Mike Burns had left a message on my home telephone - but I was out of town last week and did not get the message until last night. I am so sorry to have missed his service.

Unfortunately, as we have gotten older, we have not kept in touch with the rest of the Poole family. I have forwarded this info to the rest of my siblings. Dawn, who is in Ohio, Sharon is in Florida, Becky is in Frederick and Curt is in Urbana.

Mike said that all of us may get together this summer - that would be fun to see everyone again. I think that the last time we did this Nana had passed away and that has been a while.

I have two grandkids - Brea who is 14 and Ryan who is 9 and will be 10 this week. Charlie (my son) is 34 years old - if you can believe that.

I can be reached at 24059 Newbury Road, Gaithersburg, MD 20882 my home telephone is 301-253-9495.

Again, I am so sorry I did not get the message sooner -

“ Susan - after speaking with you on the phone yesterday, I decided I needed to write a few thoughts for you. Your sudden loss is sad. I know the numbness you are feeling right now and the fact you are merely going through motions. This does get better and you will actually be able to re-enter the real world. The days and weeks ahead will be difficult, but you will feel your Dad's presence and that will be comforting. I extend my sympathy to your Mom and entire family. Comfort one another and continue to be the strong family that your Dad taught you to be. He will look down upon you with pride!

“ Pop pop, I love you so much. You were a quiet, simple, and hard working man. You're faith inspires me, and gives me the peace of mind that you are in heaven right now. These past few days have been hard for everyone, but the stories we've shared makes me feel as if you are still here. I love you so much, and look forward to seeing you again.
