“ My Thoughts & Prayers are with Ester and her family. It has been a big adjustment for us here at the center not seeing Timmy every day. He was my best helper and my biggest supporter, and I miss him something terrible, but he has already given us a few signs that he is still with us and still being funny LOL. Glad he called me one last time as we had a nice chat, and I knew he was at peace. Rest easy my friend & we will take care of your "S" she will never be alone as she has many friends here that will look after her.

Esther and family: there are no words that can describe how our hearts are broken during the loss of Timmy. What a shock. Only a few weeks back when you and I were in Corsica Hills together, he was pushing me down the halls in a wheelchair to make sure we all would sit on the front porch together. Timmy has surely helped many people over the years and gave up things in his life to make sure they were taken care of. We have many great, great memories of him that will never be forgotten and held in our hearts. Prayers and love to all of you and we know he met his Maker, when entering those pearly gates, as his faith was so strong. We are here for you and call anytime if you need us. Timmy, you were a great friend to our entire family and the love you showed will always remain with us. Fly high good buddy and until we meet again, Peace Be With You. Love, Gene and Lynda

To the family: Our prayers and blessings are with your family at this time. Mr. Blackiston was a big supporter of the chicken barbeques and bake sales at our church. He always enjoyed seeing and talking with people, along with picking out baked goods with his wife. He will be missed in the Community for all he did for others. God bless your family at this time.
