So many memories...What a void in our lives! Unbelievably sad to never see our Tim again!~

“ My wife and I were deeply saddened to hear of Tim's passing. We immensely enjoyed his company and had great respect for his craftsmanship. We will always think of him while we enjoy the 2 major landscaping projects that he did for us. As others have mentioned, I was lucky enough to share some time with Tim in the company of Jordan. I was touched by how much he loved her and how proud he was of her (He never said a word of this and did not have to. His beaming smile in her presence told all.) I pray that she will find the strength to deal with this tragic loss and continue to make him proud.

“ I was so sad to hear about Tim. He was a kind and gentle man. He helped me coach Jordan's lacrosse team and was amazingly patient and great fun. I adored the relationship he had with Jordan. I know that your heart is heavy Jordan, but your dad is with you all the time. You carry him in your heart with you always. Much love and many hugs from Aysia and I.

“ I have great childhood memories of watching (getting in the way of) you working in my parent's garden. So handsome, strong, creative, and kind. I was sad when you and Jennifer moved away from Baltimore, but happy to hear you had a daughter of your own! Seeing your beautiful retaining wall on my sister's first home of her own 25 years later was one of those full circle moments. You shine on in many other ways more profound than "just" the physical world... So Bright!! My heart goes out to your family and I hope to meet your daughter. Jordan, please use my number when you find yourself in Tampa! 504-410-6686

“ *We all met Tim through his aunt Marian about 22 years ago. In our hearts, we considered him family. My husband often kidded him by referring to himself as his "Uncle Joel" Since then, Tim left unforgettable legacies of his skills in both our homes. The pond, the walkway, the choice of planting strategies etc... have his fingerprints. He has been very generous with his time. We are all heartbroken. He will not be forgotten by anyone in our family. Joel, Nancy, Olivia and Colette Fradin*

Until we are gone, we will always think of our Tim as the funniest, most beautiful person ever, who loved above all else the many hours he spent with his daughter. Still miss you so much, walking outside, family gatherings, fire in the pit you built, sounds of the ponds you constructed, and all the beautiful trees and plants you put in. So sad. How to go on? Miss your smile, laugh, beautiful face, gentle ways, and your love... You're always just beyond my touch.
