“ Tim was truly a kind and giving soul, always ready with a joke or a genuine inquiry about how you were doing. His warmth and compassion touched everyone around him. I will forever be grateful for the support he showed me during a particularly challenging time in my life. When I experienced two heart attacks two years ago and needed to go to the Mayo Clinic, Tim stepped in without hesitation. He donated his PTO to ensure I could focus on my recovery without the burden of work. He even reached out to his son to help me secure discounted plane tickets. Tim checked in on me regularly, showing that he truly cared. I will miss those moments spent outside in the warm weather at work, where we would catch up on life and share laughter. His presence was a source of comfort and joy, and it's difficult to imagine our days without him. Tim, I hope you have found peace now. You will be deeply missed, but your kindness and spirit will live on in our hearts. Thank you for everything, my friend.

“ Tim would come to fix things for me from work etc. I live in Odenton. Would never take money but he loved my crab cakes. I made sure he had them. I considered Tim my friend and am saddened by his passing. He was a kind soul with a big heart.
