“ *David, Jo and John - so sorry for your loss. Your Mother was an amazing person - and extremely tolerant and flexible! Nothing seemed to rattle her - She was always welcoming to everyone! living next door to your family was a great! I have lots of fun memories of all of you and of course all of the animals! Hope all is well with the 3 of you. Angela Lane*

“ Mom had a way of connecting with people that I always admired and tried to emulate. She could strike up conversations with total strangers in a way that made one feel like they had been lifelong friends. That is a rare gift, and that was just who mom was.

Mom made sure that Christmas was a magical experience for us. She had a way of making one believe that Santa was a real presence in our lives.

She also taught us how to treat our animals in an ethical and compassionate way. That carried over into our dealings with everyday people because mom taught us that we should treat those who can't fend for themselves with compassion and love.

This was who Mom was and so much more. I will miss her.

“ Mom & Dad moved in with me August 2025. I was able to know them & especially Mom in a different way. We had a lot of deep conversations that I don't think we normally would have and a lot of laughter. Taking care of her (& Dad) was an honor so many people miss out on. I'm going to miss her.

“ I worked for Titi at the Arabian farm in St. Michael's. I learned a lot from your Mom about managing a stable. I remember all of you and riding at Perry Cabin. I'm sorry the loss of both your parents has come together so quickly. It's funny how that happens sometimes. Sending love and hugs Kitty Spurry Nelson
