“ To the family,

*Heaven's Child,
He's in the sun, the wind, the rain.
He's in the air you breathe with every breath you take.
He's sings a song of hope and cheer, there's no more pain, no more
fear.
You'll see him in the clouds above, hear his whisper words of love,
you'll be
Together before long, until then listen for his song.*

*No farewell words were spoken,
no time to say good bye,
you were gone before we knew it,
and only God knows why.*

My prayers and condolences is with you.

Rest in peace little cousin, I love you and will miss you
