“ I’m Tracie’s first cousin and pretty much grew up together. We may have fought like siblings growing up but we loved each other unconditionally. We spent some wild nights at the Double Eagle, wonderful family memories with holidays and parties, lunch get togethers and even her Tote Happy appreciate events. I’m going to miss her smiling face every time we spoke on face time or her Lives through Facebook for Thirty-One Tote Happy. We all are going to miss you. Even though you left this earth way too early, I know you are spreading your angel wings with Memom and Pepop and you will be remembered in our hearts forever. Love you Cuz ❤️
