

Tracy Lynn Morris

October 11, 1964 - May 17, 2019

Tracy Lynn Morris, 54 of Centreville, MD, passed away on Friday May 17, 2019, at Compass Regional Hospice. Tracy was born in Chestertown, MD, on October 11, 1964, the daughter of the late William L. (Duke) Morris and Doris Conley Morris.

Tracy graduated from Queen Anne's County High School in 1982, where she was a member of the Queen Anne's County marching band. She then attended the Medix School where she earned her certificate for Expanded Functions in Dental Assisting. She worked as a Dental Assistant throughout her career.

Tracy's first and foremost love was her two sons and her four grandchildren. She loved to sing, dance, and entertain with her many talents. She also enjoyed camping and fishing with her family. Tracy was a friend to everyone she met and loved by all that knew her. Her personality was brighter than the sun itself.

Tracy is survived by her sons, Hunter Grahmer of Hebron, MD, and Holton Grahmer (Mariah) of Milford, DE; four grandchildren, Brayden, Brodie, Hudson, and Adley; brother Wayne Morris (Theresa) of Queen Anne, MD; sister Brenda Dadds (Andy) of Centreville, MD; and many nieces and nephews.

A memorial service will be held on Wednesday, May 29, 2019, at 12 p.m. at the Fellows, Helfenbein & Newnam Funeral Home, P.A. in Centreville, MD, where family and friends may visit from 10 a.m. – 12 p.m.

In lieu of flowers, contributions may be made in her name to Compass Regional Hospice, 160 Coursevall Drive, Centreville, MD 21617.

“ There will never be another Tracy our girl never met a stranger. She could make you laugh with one look. My first memories of her were the little blond headed sister of Brenda getting on the school bus with big sister. There are so many other memories like everyone the memories are varied and different but in everyone humor was a constant. sometimes years would go by but in the last 5 yrs or more she stood by me held my hand as I cried and helped me make some hard decisions. She was there for everyone. They say God Always takes the best well apparently he needed her more another cliché but oh so true. Brenda and Andy I'm not sure you truly know how much she deeply loved you both. Thank you sharing your girl with us. Actually she loved her whole family deeply we had grandchildren the same age and this year they are in Kindergarten together I have pictures she sent me of our to little ones together getting awards. I know we all will carry a little piece of her in our hearts and I will listen to a special song often to make me smile and laugh! She was taken way to soon but we will forever remember our girl!!!

“ I know purple is what’s in fashion these days with all that’s been going on with you, but you once told me one of you’re favorite colors was yellow. That’s mine, too!

This has been the hardest news to digest. I am so honored that you let me pester you for the last few months. I didn’t do much, you helped me way more than I ever helped you. And I’ll write you a letter so I don’t embarrass myself on here with my lengthy notes. But I will love you forever. Thank you for always being there for me, even when no one else was. You are a treasure and I shall carry every moment with you in my heart until we meet once again.
