“ Some of my fondest childhood memories revolve around the time I spent at the Georges home, Ms. Trudy was always wearing a smile, very quick with a chuckle, and made me feel very welcome...I always felt as if she were my second mom...and she made the best iced tea! :) no matter how much me and Keith drank, there was always more. I will always remember her in a special place in my heart....I love you "mom" and miss you dearly.

“ I will always remember Trudy fondly. She always spoke lovingly of her family...made those delicious pizzelle cookies and really loved the color PURPLE-even the polish on her fingernails!
May she rest in peace in Heaven!
