“ Sarah,

I want you to know that I admire your courage, stay strong because Ty is still watching over you. Even though he isn't here to hold you know he is smiling down on you. Keep up your life, this is your chance to follow your dreams for Ty. Show him how strong you are. You can make a difference for other families and children. You have a purpose, don't let it pass bye sweetie. You are a strong woman, I love you! Call if you need me. Being strong doesn't mean you can't cry.

“ Dear Sarah, Jason, and family,
I can only imagine how big Ty's smile is as he sits on a cloud, licking a lollipop and looking down at us. Although he was only with us a short time Ty filled our hearts with love, giggles and strength to overcome the obstacles that life put in front of us. When I close my eyes I immediately see his sweet face looking up at me with those big blue eyes and long, dark lashes. It is amazing to think of how much he shared with us and taught us through his facial expressions! Ty was a model student (he actually liked my singing) and was loved by everyone he came in contact with. Sarah, you and Tyler will always hold a special place in my heart. Ty Ty was the light that guided you for 5 years...now it is up to you to continue your life in a positive way. Tyler loved his Mommy and will be watching over you. Please keep in touch, I will miss seeing you..###imported-begin##Judy Larrimore###imported-end##
