“ THAT SMILE- most contagious one you'll ever see. A direct tribute to who Tyler was. Wanted to take this opportunity to personally thank Tyler for being the best friend a kid like myself could ever ask for. Growing up together was one hell of a journey that I'll never forget. Our memories together have and will always stay with me. (Growing up as “teenagers” together you can only imagine some of the stories Tyler and I share, after all, we had A LOT of life figuring out together). I'll miss that smile, your competitiveness, and your desire to be the best at every little thing you do. You showed me what true friendship meant, and you know I loved you like a brother.

To the most amazing kid, inside & out- rest in piece, brother. Till we meet again.

“ To all the angels up in heaven, I'm sure you realized this the moment Tyler arrived but I need to tel you anyway... Tyler is an amazing young man that I've know since he was a wee fellow. We dubbed him the Mayor because he was THAT confident and was able to converse with ANYONE about ANYTHING and always always had mesmerizing smile. Please give him hugs from me and those he left behind. Our world is a little less bright without him shining in it but heaven is glowing with his infectious smile.

To Will, Karen, Jess and the girls ~ sending you HUGS and deepest sympathy. I know he meant the world to you as did you to him.

To Tyler ~ how I wish I could wrap my arms around you with the biggest hug. I hope you can feel it virtually though.
