“ *Vonnie, I will really miss you there when I come into the church in your favorite seat. You were always a big sister to me that I never had and I appreciated you for that. You helped me out when I needed a place to stay and you even taught me about different gospel music and learning about the Light Rail! I will miss all our talks we've had. I Love You and and will do my best to help pray for your family and spouse and see them through.##imported-begin##Dion Jackson##imported-end##*

“ To the Page Family,

Words can't explain on the impact that Vonnie has left in our (the Frisby Family) lives. She was an outstanding God Mother and musician and teacher. She will always be in the hearts of the Frisby Family. This is a Joyous occasion to know that Vonnie was In Fact Saved and a Child of the King. And she went Home to see her Heavenly Father.

Thank you Elder Page for your obedience to God for giving us Vonnie. Vonnie will always be missed and Loved!

Thanks for Her Life. It was a blessing to me##imported-begin##Timothy Frisby##imported-end##
