“ *Vernon and I grew-up in the typical small town atmosphere of Church Hill, Maryland. What a great place and era in which to be raised. I still have countless memories of those days and the many times those memories include "Sonny" or "Bunky" as he was known in those years. We had kept in touch through the years, except the past couple of years since Harriette and I moved to Dover. Ann and family --- Please accept my sincere sympathy upon the death of my "old friend"*
