“ I just wanna say me and Vicki had our good and bad times but always got things straight and even though she didnt see Dakota and Kirsten much I know she loved them. I have gotten out all the pics of her and showed the kids and made sure each kids pic album has plenty of pics of her in it and I also made copies of the pics from the kids last birthday's and putting them in their albums so that way they can see her and what she looked like as they get older. She will always be with them and they will know who she was as they grow up. Jesse I am so sorry for ur loss and if u need anything what so ever girl you know how to contact me and where I live and know I will always be there just like I always have girl. Be strong and know your mom loved you the kids miss u girl.##imported-begin##Heather Capel - Mother of Dakota & Kirsten Capel##imported-end##

“ I am Blown away ! As we get older, it is so hard to see othes within our group and from our childhood pass on. My heart goes out to all the family and espically Robin and JoAnn. I know you girls were always close. All of you never judged and were always smiling and cheerful. I'm so sorry for your loss. If i can do anything for you, you know i will.
