

Victor Grant Collins

September 27, 1960 - November 7, 2024

Victor Grant Collins, a beloved husband, father, brother, and dedicated community member, passed away peacefully on November 7, 2024, surrounded by family and those he loved. He was 64. Born on September 14, 1960, in Silver Spring, Maryland, Victor was the cherished son of James Colbourn Collins, Sr. and Shirlee Harvey Collins.

Victor's journey through life was marked by his unwavering devotion to his family and his commitment to helping others. On September 27, 1995, he married Angela Bohannon and their 33 years together, 29 of those in wedlock, were filled with love, laughter, and shared dreams.

Victor's education included a high school diploma, complemented by vocational and technical training that equipped him for his career. He dedicated many years of his life to serving the community through his work in telecommunications at Preston Trucking, and later at Easton Memorial Hospital. His professional journey was not just about a job; it was about making a meaningful impact on the lives of those around him.

Beyond his professional life, Victor was reserved, and kind. A skilled woodworker, who single-handedly restored his Victorian home after his workdays. He was a fixture in the local Boy Scouts organization. His cheerful disposition is missed and remembered by all that knew him.

Victor will be remembered for his gentle spirit and his warm smile. His family and friends will carry the memories and all the wisdom he imparted.

Victor is survived by the love of his life, Angela Collins. He is also survived by his brother, JC Collins; along with a host of extended family and friends who will deeply miss him.

A Celebration of Life will be held on January 4, 2025 at 11 am at the Preston Fire House, 3680 Choptank Rd. in Preston.

Those wishing to support an organization close to Victor's heart, may send contributions to Boy Scout Troop # 461 of Preston, 22829 Marsh Creek Rd., Preston, MD 21655.

“ *I was a little shaken to hear of Victor's passing. He was such a great guy. His smile and kindness went a long way. I always enjoyed seeing him when I would run into him at work. He would ask for my husband every time he saw me. Victor will be so greatly missed. It was a shock to me because I did not know that he had been ill. Rest on Victor, so sad. Love and hugs to the family*

“ To All Victor's Family & Friends,
They say there is a reason. They say time will heal. Neither time or reason will change the way we feel. Gone are the days we used to share, but in our hearts he was always there. The gates of memories will never close. It's difficult today to see beyond the sorrow. May looking back help comfort everyone. I know in his silent-encouraging, loving soul he said." Farewell and have a good life." to everyone at his sister, Dawn's funeral that was in June, 2024. Always adored the way he put other people before himself; that is and will always be his greatest merit!

I started working at Easton Hospital in 2007, Victor was one of the first employee's I met and become friends with. He was a staple at the hospital and I would greet him with a "Hi friend" each time I saw him. It didn't matter if he saw you at work or in the community he always spoke. At times he was a man of little words but said so much.
