Wonderful memories of our times together in Chestertown. Water baptism with my Sister in the pool across the street from the church, trips to PA to hear Dr. Cho, and attend Sight and Sound productions, dinners together, great fellowship, hosting Mahesh, and much more. Mich love and great awareness that His faithful tangible grace will surround you in the days ahead.

Brother Victor Dunning prophesied over me in Columbus, GA when he was the Pastor at the Straight Gate Church. It was a defining moment in my life. I also experienced a powerful deliverance from a demon under his ministry, while watching him pray for someone else. An excellent teacher with a prophetic edge. Allen Wilson

“ *From Ted and I....
You will be SO missed, Pastor Vic! Your passing is such a shock. But you have arrived in your glorious forever home!!
Vic was our pastor and friend! We met for Bible study in our home for many years! Good times!! He was a teacher of the word to us and to many others. He loved the Lord and sharing all HE was doing now and had done in the past when he lived in England. Many prayers were answered in our small group.
He also loved to joke and to have fun. His belly laughs were the best.....we loved getting silly.
Thank you, Pastor Vic!
And dear Di, Luke, Jenna, Jacki, Ed and family....may God wrap his arms around you as you walk this journey. Peace, Comfort and love to you from God the Father.
"Well done, good and faithful servant".*
