“ Vic was a great guy , when his niece , Carolyn (Lanehart) and I were married I was quite pleased that he agreed to me my best man. Fortunately Carol and I had a chance to visit him about 2 years ago, it had been awhile since we had an opportunity to look him up. Sure glad we did , he was the same Vic , I am deeply saddened at his passing .##imported-begin##Matthew A. Brock##imported-end##

“ Uncle Vic, I remember so many things from our brief visits over the many years. I especially enjoyed your humor and how you took everything a day at a time.

“ Uncle Vic, Good bye- You were a good uncle. You let me drive your new car when I was just learning to drive. You were always there for a chat or a laugh. You were kind and caring. You were our best man when we married 39 years ago. I am so happy that we stopped and found you the last time we were back in Maryland for a visit. You had been in my thoughts the last few days. Now I know why.... Love you .##imported-begin##Carolyn (Lanehart) Brock##imported-end##

“ Victor was my neighbor and we used to have a lot of conversations over the fence. He was a gentle, kind soul always willing to lend a helping hand. He gave me good gardening advice and told lots of stories of his youthful past which were very interesting. He will be missed around Queenstown and when I look over my fence I'll still be looking for him to be there ready to chat. Rest in peace Victor. Our prayers are with his family at this difficult time.
