“ To say that Virgie was a character is an understatement. I've known Virgie a long time as part of the "Avis Family" and you never knew what she was going to say or do. She would be forever surprising us and the customers! Virgie was a breath of fresh air around the workplace that's for sure and she and I kept in touch through thick and thin. She was a wonderful, caring, giving person and will be greatly missed on this earth. She will live on in our hearts!###imported-begin##Terrie Paxton###imported-end##
