“ I last saw my cousin Virginia when I was a young boy and she was about 17 years. If my memory is accurate, she had dark hair and was very pleasant. I learned from Jim Foreman, who I just had the pleasure of meeting, that Virginia had been hospitalized for some time with memory problems. I am sorry to learn of her passing, and regret I did not establish contact with Virginia and other Maryland Foremans earlier in life.

“ There was no other lady like Aunt Ginny! From her infectious laugh, her delicious Mac-n-cheese, her awesome cookies that she made for Jeff when he was building our house that he would forget and I just had to have a few, and how she would always go out and knock on the windows, hollaring "Ho, Ho, Ho" on Christmas Eve at Connie's so the little ones would think Santa was checking on them!!! I always loved her sense of humor! I have a few things of hers that will always make me cherish all my wonderful memories of my Aunt Ginny!! Love ya!!
