“ *To the family of Mrs. Virginia Pinder,
A mom, grandmother and friend to so many. I miss Shorty and now I miss Mrs. Virginia. We had many long talks at the kitchen table about various issues, but, the subject that she talked about the most were her grandchildren. She was so proud of them. Her face would just light up when she shared with me what they were doing in school and outside of the school along with the dreams they had. She is a special lady and truly missed.*

“ Lora and family, We were so very sorry to hear of Virginia Lee's death. Eddie and I loved being at her house at her picnic last summer. We had so much fun. She will be missed by so many people. She was a wonderful mother, grandmother, aunt and sister to her family and friend to many. We will miss her. I do believe she is where she wants to be - with her one true love - Shorty. She missed him so much and now she is with him. Please remember all of the happy times you have had with her and laugh out loud when something funny comes to mind. It will help you with your grief and keep your memories of her close. We love you. Eddie and Rita Kulley.
