“ *Im really at a lost for words. But Mrs Garnett was my first grade teacher also. She took a liking to me and she was one of my favorite teachers in school. I am 34 years old and the impact Mrs.Garnett made on my life as a young man still lives in me til this day. I just want to say thank you for teaching me and having confidence for others when they had none for themselves. We love you down here and you works will not be forgotten. Love You Teach R.I.P*

“ *To Nelson and the family, I extend my deepest sympathy. I always looked up to Vicki and was greatly influenced by her. I ended up teaching for many years just as she did because she was an example of how you can do what you set your mind out to do. God be with you at this difficult time.*

“ My sincere prayers goes out to the Garnett family. Mrs. Garnett was my first grade teacher and she made such an impact on life I still think about her until this day. I am 54 years old and still remember her bringing me out of my shyness over a flower I gave her. She would come every year to get me to show me how much it had grown. I remember sitting in her lap and her telling me how special I was. I loved her so much and regret that I never kept in touch with her. I always compared my sons teachers with her and only one ever came close to her and I am so glad my son got to experience what I did because of Mrs. Garnett. She was a beautiful lady and a beautiful soul. So many was blessed to have her as a teacher. I will be there to respect this lady and I am sure many many of her students will.

“ Dear Family ❤️ PSALM 116 : 15 " Precious in the sight of the Lord is the death of his saints. " Mrs . Vivian Garnett was a great Worship Leader. She had a special gift for remembering every hymn that was sung at a Joy Night, or Gospel Concert. She would repeat each hymn in a summary during her remarks at the end of the service. Everyone looked forward to hearing her, as she would always receive a loud applause! A beautiful Angel is in Heaven. So glad that she is no longer in pain. I will remember the smiles, and humor that was so encouraging to everyone! Always cherish the fond memories of your loved one. God will never leave you nor forsake you. (Hebrews 13 : 5) Continue to trust God in all things. Psalm 23-The Lord is my Shepherd I shall not want. (Psalm 23 : 1) For I reckon that the sufferings of this present time are not worthy to be compared to the glory which shall be revealed in us. (Romans 8 : 18) I Can Do All Things Through Christ Who Strengtheneth Me. (Philippians 4 : 13) "If God Brings You To It, He Will Bring You Through It! " Prayers, Blessings, Peace To Each of You"

“ I had the great HONOR of being in Mrs. Garnett's 3rd grade class at Sudlersville Elementary. This was in the late 70's.

For Christmas that year, she gave each of her students a set of personalized pencils in a red and white candy-striped vinyl pouch. I can remember how excited everyone was to have their very own pencils with their name stamped in GOLD!

With great anticipation, I opened my candy cane pouch and pulled out one of the pencils, hardly able to contain my sheer enthusiasm in seeing "CATHY ASHE" engraved in GOLD!!

How could this be??? I could feel the tears starting to pool in my eyes. What was I reading? "CHATY ASHE"?!?! I quickly walked over to Mrs. Garnett (who I believe was talking with another teacher or perhaps an assistant) and proceeded to tell her, "Mrs. Garnett, they spelled my name wrong"! I handed it over to her, she twisted the barrel of the pencil until she could read the horrible mistake that could have ONLY happened to me and she busted out laughing and yet managed to say, "Oh no baby, they got that RIGHT"! Evidently, I talked a lot at school.

She was a kind, wonderful, classy lady who I admired greatly. My thoughts and prayers are with her family and friends.
