“ I had the pleasure of knowing Vivian for a good while and always raved about her in the way she was able to do just about anything! Her cleaning and painting skills were the top. Her sweet and caring nature was so true and her great smile and laugh will surely be missed! I know where Vivian is now as she had a strong relationship with our Lord Jesus 🙏 Thoughts of comfort and emotional healing to the family! ❤️

“ *Vivian and I worked together for many many years. Many good memories with her at Acme. I'm so sad to hear of her passing.*

“ *I only knew Vivian in passing, but she raised a fine son, as caring, respectful and responsible as any I have ever met, which in my opinion speaks volumes of the mother. I do want to share my last memory, which was Vivian walking down the street from her son's house caring a paper bag, I rolled down the window and asked her was she taking crabs home and she cheerfully laughed, happy with whatever she had gathered at her son's house.*

I am so terribly saddened by the passing of Vivian. I have known her for more than 15 years & have admired her grit, humor & gumption. She was one dynamic & special lady whose last words to me a few weeks ago were about how wonderful her son has been & how lucky she was to have him. A tribute to Vivian & her son.

“*Oh my what can I say. She was a loving, friend/sister-in-law who will be missed. A lot of memories with our getting into trouble and blaming it on the other. Prayers to Michael/Heather, Miss Virginia and the rest of her family. Love Aunt Nancy and Uncle Bobby.*
