“ Volley and I worked together as police motormen at silver spring station; Volley was always out there doing his job and protecting the citizens. Also whenever I moved he was there to help. A true friend; my condolences to his family, he will be missed.

“ Volley and I worked together at the Silver Spring station many years ago. He was a great person and a superb police officer. I was sorry to see him leave the police department however he had a desire to be his own boss and own a business and you have to follow your dreams. My condolences to his family and loved ones.
