Wade was a wonderful friend to my parents as well as to me. Although it has been many years since I last saw him, I still have fond memories of times spent together talking and laughing. He was a kind person and really cared about his family and his friends. I send my sincere and heartfelt sympathy to his entire family.

I cherish memories of Wade as a fun-loving person, as a devoted family man and
as a kind gentleman. He will be missed by many but especially Kathy who shared his later years and comforted him in the last few.
