“ *I have many fond memories of working with Dr Atha when he first came to Chestertown when the new ER was being constructed and we were operating out of the old ICU. Dr Atha was warm hearted, soft spoken and kind to every person he meant! Very smart, great doctor and leader, always happy to teach, and just had a gentle way with people. Thoughts and prayers to Dr Atha's family and loved ones.*

“ Dear Joe -

I don't know how well you remember me, but I was a few years after Walt in residency at Hopkins, and I brought my family out to visit your place in Howard County several times before you moved out to the shore. I'd been thinking often of you both, and am heartbroken that I didn't manage to reconnect with Walt before his death. He was a dear friend to me, he was a role model as a doctor, and he was more overflowing with light and love and joy than anyone I've ever known. I'm deeply sorry for your loss, and I want you to know how blessed I feel to have had Walt in my life.

With love - Jules Jung

“ Joe and family - Walt was such a wonderful person. When Hopkins started hiring PAs for the Emergency Department, he welcomed us as colleagues and was as dedicated to teaching us as he was to teaching residents and students. He was such a gentle soul in such a difficult environment. He was ferociously intelligent and communicated his passion for medicine so effectively. Lots of love to all of you in this terrible time.

Joe and Family
Walt was the best of the best. He was such a kind and caring physician and a great friend. I enjoyed his visits to my office when we both were at UM Shore Regional Health. We had many great discussions. I wish you peace and comfort during this difficult time. You are in my thoughts and prayers.

“ Joe and family, Walt was a wonderful human being, dear friend, caring and talented physician. I feel so fortunate to have trained along side him at the Johns Hopkins ER, to have shared his love of playing the piano, and to have met his beloved golden retrievers. Allegro Academy and GRREAT are the perfect charities to honor his memory. Wishing you peace and comfort in these difficult days.
