“ *My sympathy to the family. Mr. Rudolph will be greatly missed. I will miss how we would get smart with each other when I would see him at shopping center, then laugh about it afterwards. Mrs. Elmira and Trish, you are in my prayers.

“ Rudy I will miss all the days you spent with us trying to get us to remember all the days of old. You said you remembered when we first got electric and I didn't, you remembered when we first got tv's and I didn't but I remember the days we spent just talking about the families and how we grew up but we never had to want for anything. So my friend, cousin, rest in God's arms until we meet on the other side.
