

Walter James Cuttler

June 4, 1940 - May 23, 2019

Walter James Cuttler, 78, of Easton, MD, died of pancreatic cancer on May 23, 2019, peacefully surrounded by family.

Walt was born in Homestead, PA, on June 4, 1940. He graduated from Indiana University of Pennsylvania with degrees in Social Studies and Geography and soon after obtained a Master's in Education Administration and Supervision from University of Maryland.

He was happily married to his wife, Charlotte (Roche) Cuttler for almost 56 years. Before coming to Easton, Walt spent his career as a school administrator in Prince George's County, MD. There, he also raised his three children with Charlotte, was a baseball coach for Little League, a vestry member of Holy Trinity Episcopal Church Collington, and member of the Bowie Jaycees. He also orchestrated and participated in many memorable activities with the "Enterprise Gang," who became treasured lifelong friends.

He brought his community spirit to Maryland's Eastern Shore upon retiring here in 2002, serving several terms as chair of the Advisory Committee of the Department of Social Services. He was also a member of the Hospital Advisory Committee and volunteered as a Caring Clown (aka Dr. Gesundheit) at the University of Md. Shore Medical Center at Easton. He enjoyed numerous activities, including traveling, with friends from Christ Church,

Easton, where he served as an usher. He also spent many fulfilling hours with the Talbot Interfaith Shelter during its inception. In addition, Walt really had fun playing golf with the Wednesday Senior Group at the Easton Club. He simply loved life on the Eastern Shore, spending time on the water and at the beach. He also spent many happy vacations with his family at their beloved cabin on the Allegheny River, which Walt built with his father in 1952.

Walt was predeceased in death by his parents William C. Cuttler and Dorothy Boyd Cuttler; and his sister Marian Halt. He is survived by his wife, Charlotte, children, Bill (Ann) of Herndon, VA; Tiffany (Mike) of Bowie, MD; and Michelle (John) of London, England. He will be warmly remembered by six loving grandchildren, who were the apples of his eye, Charlie, Bennett, Braden, Emily, Clara and Grace.

Please, in lieu of flowers, the family is requesting contributions be made to the Palliative Care Unit of the University of Maryland Shore Medical Center at Easton, 219 S. Washington Street, Easton, MD 21601 or the Talbot Interfaith Shelter, PO Box 2004 Easton, Md 21601.

A memorial service will be held at Christ Church, Easton at 11 am on Saturday June 1, 2019.

“ *Walt was one of the good people. Love the guy. We met at Indiana State teachers College in PA. He was a Munhall boy. Walt had a great sense of humor. When you were with Walt you had a lot of laughs. He and Charlotte were a great couple. We are sorry to know we will not see him again.*

“ *Mr. Cuttler was my Principal at Landover Hills Elementary School. My mom, Carolyn Bailey, worked in the cafeteria, and then as the school nurse. She said that all of the cafeteria workers really enjoyed working for Mr. Cuttler. He was always calm and kind, and would listen to their concerns. A funny childhood memory for me: I had a hard time keeping still, and talked nonstop. I found myself on "the bench" outside of the office, several times during the 1st & 2nd Grade. I remember Mr. Cuttler being nice to me and finding things to keep me busy.*

My parents and I both live in Easton, MD now. I'm sorry that we never knew that he lived so close. We surely would have visited him. From The Bailey Family, our sincere condolences and prayers go out to The Cuttler Family. May Mr. Cuttler rest in peace.

*Love,
Harry & Carolyn Bailey

“Best of the best” is how one would describe Walt in a few words. However, it takes more than that to describe the man. He was a compassionate, kind, gentle, soft spoken humanitarian who was a dear friend to many. Walt had a deep respect for all people.

We spoke often during the last few months, mainly about sports and his Nationals and my Red Sox, but also about the latest happenings in the neighborhood and what was going on with the golf course. He always asked how we were doing but about himself it was never more than “some good days, some bad days.” The good days were always mentioned first.

Walt was determined to beat this dreaded disease. He maintained a positive attitude with Char by his side. He is sorely missed.

“ *Walt and Charlotte are two of the best people we have ever known. We were always impressed by their devotion to their family and friends and Walt's commitment to serving anyone who needed help. He was always ready with a smile and a corny joke. Charlotte and family, we are so sorry for your loss and hope you can be a comfort to each other. We will miss Walt as a good friend and a good man. We feel terrible to miss his memorial service and will be in touch with you, Charlotte, when we return home. Much love,

“ *Memories of Walt are the simple things that made an impression on us. Stories of the Cabin, the delight Char and Walt had watching their children and grandchildren visit summers and how much they enjoyed the lake. How Walt would collect food for the poor, how he was there if a friend was in distress, how years he dressed as a clown and visited the sick to try and give them some small piece of laughter while in their wheel chairs and hospital beds. We remember how he danced with the love of his life on their 50th anniversary. We will remember how handsome he looked with his beautiful white hair, so perfectly combed.*

*We will miss you Walt,
