“ *Connie, my heart goes out to you. Walter was a great guy, he always seemed to know when i came home for a visit and would stop up to visit. As a young fellow i would always listen to his advice about cars, i still pass along to anyone who ask me about Horsepower,, Walters words "Horsepower doesn't mean alot, it's the torque that gets you down the track" I'll never forget him. One of the best !*

“ *So sorry for your loss. Walter will be missed by sooo many. He was loved by all. roni Lynn loved him like a father. He gave her wisdom when she needed it. Actually a week or so ago ronilynn, Angie ward, and myself were celebrating Roni Lynn's birthday and were having some laughs telling funny stories about when they worked up to the snack bar and Walter was in most of them.. We will have many memories to look back on. Praying that our Lord and Savior will give you peace and comfort doing this difficult time.*
